Longlife IV 0W-20 Fully synthetic engine oil

A premium performance, low viscosity, fuel-efficient engine oil, specifically developed for modern VW petrol and diesel engines.

Description

Quantum Longlife IV 0W-20 is a premium fully synthetic, low viscosity, engine oil for use in passenger cars fitted with petrol and diesel engines where the latest VW 508.00 / 509.00 specifications is required. Quantum Longlife IV 0W-20 is based on the latest in additive technology along with a combination of very high performance base oils.

Application

Quantum Longlife IV 0W-20 was developed specifically for use in VW petrol and diesel engines. Despite the low viscosity Quantum Longlife IV 0W-20 still provides excellent wear protection and extended drain capability. Quantum Longlife IV 0W-20 is not backward compatible with earlier VW specifications, it should only be used in engines where VW 508.00 / 509.00 is specified. Quantum Longlife IV 0W-20 will mix with other similar oils but to gain the full benefit it is recommended to change the oil completely when changing to the Quantum grade. Safety data sheets can be found on the Quantum website.
